Hours 8:00 am – 12:00 pm

Days: Monday – Friday

Until further notice.

“COVID-19 Fatigue”

The Pascua Yaqui Tribe Health Services Division (PYTHSD) emphasizes that cases are continuing to increase across tribal communities. Our tribal community must continue to be vigilant in following tribal health guidelines pertaining to COVID-19 now more than ever.

Please Continue To Be Vigilant and Careful

- “COVID fatigue” is used to describe collective fatigue attached with adjusting to the enduring status of the COVID-19 pandemic.
- It is crucial that tribal members continue to remain cautious by continuing to wear masks in public spaces and maintain a distance of six feet or more from others.
- It can be expected that cases will increase among tribal members if members grow tired of masking, social distancing, and letting their guards down.

The Yoeme Health Plan/Managed Care and Community Health Nursing is providing **FREE FLU SHOTS**. For more information, contact the Pascua Yaqui Community Health Nursing Department at **520-879-6119**.

Please Note: Testing supplies are limited; we will test as supplies are available. Call **520-879-5652, 520-334-7691, or 520-879-6129** to schedule a screening.
