

Pascua Yaqui Tribe Health Services Division

Phone: 520-879-6000 | Address: 7490 S. Camino De Oeste, Tucson, Arizona 85757

For Immediate Release- September 27, 2022

Public Health Alert: FREE COVID-19 Vaccinations Open to the Public! No Appointment Necessary.

Please note: We will not be offering any COVID-19 Booster doses at this time, while we await our shipment of the updated Bivalent Booster doses.

CDC now recommends that everyone ages 12 years and older receive an updated “bivalent” booster to improve protection against serious COVID-19 disease. The updated COVID-19 boosters were formulated to better protect against the COVID-19 Omicron BA.4/BA.5 strains, in addition to the original COVID-19 strain. We’ll keep you informed when we receive the updated boosters.

We will continue to administer the COVID-19 vaccine **original series** (*1st and 2nd doses*) to those who have not yet been vaccinated. The following vaccines will be available: Pfizer-BioNTech (5+) and Moderna (6 months+)

**Pascua Yaqui Health & Social Services
Family Center**

Location: 4567 W. Tetakusim Road

Date: Thursday, September 29, 2022
